Nature of the event (Workshop, Seminar, FDP, Extension Activities, Guest Lecture, EDP, MDP etc.)		INDUSTRIAL VISIT	
Name of Department/Cell/Club		Department of Biotechnology	
Date/s	27 <sup>th</sup> February 2023	No. of Day/s	One
Convenor and Coordinator Details		Convenor- Dr.G.Rajalakshmi Co-ordinator- Ms.R.Gnanambal & Dr.Sanyo sabu Patron- Dr.A. Ponnusamy	
Stratum of the Event (Regional, State, National, International)		Regional	
Title of the Event		An Industrial visit to CETP-Murugampalayam	
Venue		Murugampalayam, Tirupur	
Resource Person/s Details (Affiliation and Designation)		The director, S.F.NO.211, Thandakkaranthottam, Murugampalayam, Iduvampalayam P.O,Tirupur	
Scope of the Event		"Overview on effluent treatment process"	
Deliberations/Discussions		II-UG Students were taken to the waste water treatment plant. They had the opportunity to meet the directors and they came to know the process of treating waste water virtually and students clarified their doubts and interacted with the guide person and directors.	
Outcomes of the Event		Students were given an Insight about the working mechanism of effluent treatment plant	
Remarks and Feedback of the Event		The visit was so useful for the students and it was a great exposure for the students to the place and the staff members were so humble and clarified the doubts of the students.	
Total No. of Participants (Mention faculty count also if it is an Extension Activity)		Faculty and 31 Students of the Department of Biotechnology

Nature of the event (Workshop, Seminar, FDP, Extension Activities, Guest Lecture, EDP, MDP etc.)		Extension Activity - Industrial Visit (DBT STAR College Scheme)	
Name of Department/Cell/Club		Department of Biotechnology	
Date/s	2 <sup>nd</sup> March to 5 <sup>th</sup> March 2023	No. of Day/s	Four Days
Convenor and Coordinator Details		Convenor- Dr.G.Rajalakshmi (Prof & Head, Department of Biotechnology)	
Stratum of the Event (Regional, State, National, International)		Regional	
Title of the Event		DBT STAR COLLEGE SCHEME Educational Tour	
Venue		GKVK Agricultural college, Bangalore. National Centre For Biological Sciences (NCBS), Bangalore. Indian Institute of Science (IISc), Bangalore.	
Resource Person/s Details (Affiliation and Designation)		Dr.Lali Growther, Dr. Mythili.K, Dr.S.Anuradha, Dr.Kavitha, Dr.G.Rajalakshmi, Mrs.D.Gokila.	
Scope of the Event		Educational Tour- DBT STAR College Scheme.	
Deliberations/Discussions		As part of DBT STAR College scheme students from The Department of; Microbiology, Mathematics, Biotechnology and Computer Science went for an educational tour along with the faculty of the DBT STAR Departments. They had a enlightening experience at these institutes and were given a chance to experience the way of life at these campuses.	
Outcomes of the Event		Students were motivated to do more in their concerned area of choice and be a part of a vibrant scientific community. It was a chance for them to experience research at the premier institutes of the country.	
Remarks and Feedback of the Event		The educational tour as part of DBT STAR Scheme was a dream come true for many students as the institutes visited are ranked among the best in the country and experiencing recent advances in science and technology is a matter to be cherished.	
Total No. of Participants (Mention faculty count also if it is an Extension Activity)		THIRTY students and Six faculty members.

Stratum of the Event (Regional, State, National, International)		Regional
Title of the Event		Industrial visit to DRDO Laboratory, Bharathiyar University, Coimbatore.
Venue		Bharathiyar University, Coimbatore.
Resource Person/s Details (Affiliation and Designation)		
Scope of the Event		To make students aware of the latest research scenario in Biotechnology and giving a glimpse of the state of art facilities available at the University campus.
Deliberations/Discussions		Students were taken to the DRDO laboratory facility at the Bharathiyar University campus as part of their course. They were given introduction to various instruments used and procedures followed at the facility. Latest techniques in toxicology, biomaterials, animal cell culture were explained by the resource persons at the facility.
Outcomes of the Event		Students got a broad overview of the facility at the campus. They got introduced to new instruments and it's working thereby widening their perspective of biological research.
Remarks and Feedback of the Event		Students were enthusiastic and enjoyed the experience at the DRDO laboratory at Bharathiyar University campus. After the industrial visit a short trip to nearby temple made the event even more attractive to the students.
Total No. of Participants (Mention faculty count also if it is an Extension Activity)		Fifty-five students and Two Faculty.

Title of the Event		Industrial visit to Southern Regional Research Centre, Kodaikanal.	
Venue		Hindusthan College of Arts and Science.	
Resource Person/s Details (Affiliation and Designation)		The Director, Southern Regional Research Centre, Kodaikanal.	
Scope of the Event		To make students familiar to research environment and latest advances in facilities available for research in biotechnology.	
Deliberations/Discussions		Students of III B.Sc Biotechnology and 3 faculty members started early morning from the college campus. After the visit to Southern Regional Research Centre reached the campus late night on the same day. Industrial visit and sight seeing where the main focus of the initiative.	
Outcomes of the Event		Students had a pleasant trip to kodaikanal with the faculty of Hindusthan College of Arts and Science. It was a refreshing experience for all of them to visit a research institute like Southern Regional Research Centre, Mannavanur (Kodaikanal) and gain a first-hand experience of research work going on at the facility. Visit to the institute's animal house facility was one of the key features of the visit. It helped in students gaining first hand experience in animal handling.	
Remarks and Feedback of the Event		Students were very excited about the trip from the planning phase and gave positive feedback of the entire experience at Southern Regional Research Centre, Mannavanur (Kodaikanal). Apart from academics they had a wonderful trip to kodaikanal.	
Total No. of Participants (Mention faculty count also if it is an Extension Activity)		Three faculty members and 56 students.
