Eco-Club Activity

Tobacco Awareness Program for School students

(Theme: NASHA MukT BHARAT ABHIYAN - SAY NO TO DRUGS)

Eco Club and Department of Biotechnology organized “**Tobacco Awareness Program**” for school students on August 4th 2022 to commemorate 75th year of India’s Independence by celebrating AZADI KA AMRIT MAHOTSAV (AKAM). The venue was Hindusthan Matriculation and Higher Secondary School, Coimbatore. 50 student volunteers and 3 Faculty members participated in the event and provided awareness to the schoolchildren. Educating students about the complications of smoking on oral health should was the part of smoking cessation programs and policies. Tobacco use is the leading cause of preventable death in the India. The majority of daily smokers (75%) began smoking before 18 years of age, and more than 2,000 young people begin smoking each day. School-based awareness programs are mainly organized to prevent tobacco use which can make a substantial contribution to the health of the next generation. This awareness program was designed to prevent tobacco use, as it could become one of the most effective strategies available to reduce tobacco use in India.

ECO CLUB ACTIVITY
Dengue Awareness Program

(Theme: To raise awareness among the public)

Eco club and Department of Biotechnology of Hindusthan College of Arts and Science, Coimbatore, under **DBT STAR COLLEGE SCHEME** organized **Dengue Awareness Programme for the public and residents of Udayampalayam** on 22nd August, 2022. The Programme was initiated with the waving of the flag for the rally by **Smt. Sarasuwathy Khannaiyann**, Managing Trustee and **Dr. Priya Satishprabu**, Executive Trustee and Secretary, Hindusthan Educational and Charitable Trust, Coimbatore. 180 students of Biotechnology Department and Eco club volunteers accompanied by 8 Faculty members started the rally from college campus to Udayampalayam Thingallur Mariamman temple by holding placards and raising slogans on Dengue Preventive measures. They insisted the public to avoid throwing garbage on road and to dump waste only in bins and also requested to keep place clean and avoid mosquito breeding. During the rally students distributed the pamphlets and gave awareness voice regarding prevention and control of Dengue.

Eco Club Activity
World Ozone Day

(Theme: EARTH WITHOUT OZONE IS LIKE A HOUSE WITHOUT A ROOF)

Eco club in association with the Department of Biotechnology, Hindusthan College of Arts and Science, Coimbatore, under the scheme of **DBT STAR COLLEGE** organized **INTERNATIONAL OZONE DAY** on 16th September 2022. On this occasion, **“MEGA ART”** depicting the concept of **“Role of Ozone in Protecting Earth”** was orchestrated in the open auditorium stage. The Programme was initiated with the blessings of Smt. Sarasuwathy Khannaiyann, Managing Trustee and Dr. Priya Satishprabu, Executive Trustee and Secretary, Hindusthan Educational and Charitable Trust, Coimbatore and the un-stinted support given by Dr. A. Ponnusamy, Principal. Under the guidance of Faculty team of Biotechnology, around 300 students from the Department of Biotechnology and Eco club volunteers participated in this event. Through this programme students were made aware of the harmful effects of ozone layer depletion. The art was captioned as **“Earth without Ozone is like a House without a roof”**

Students and faculty members took part for a colorful Mega Art on ozone day at the open auditorium
