A HICAS NEWSLETTER Vol 3 - Issue 3

February 2022 - May 2022

Message from

Principal's Desk

"Awaken people's curiosity. It is enough to open minds, do not overload them. Put there just a spark." - Anatole France

It gives me profound pleasure and humility in welcoming and promoting the third Issue of Volume 3 of our quality Newsletter "Impression". This Newsletter provides an ideal forum for exchange of information that happens in the Department and Clubs. We Also Project the talents and achievements of our Staff and Students.

When a thought that has been enduring in mind becomes real, it is truly an interesting and exciting experience, we in HICAS has brought the thoughts and also made it happen by modernizing and strengthening the Activities for the Student Development. The output of the Newsletter clearly exhibits that we meet the student Centric Approaches that develop his inherent talents and boosts his knowledge. Our dedicated staff, are always working hard to provide their best in finding out the hidden talents of your students, and organizing all activities that actually tune their talents to grow higher. Apart from the involvement of the Department, Various Clubs and Committees also contributed to the Newsletter.

The reason we are able to continue is the constant involvement of our students and our stakeholders who are to bring different nodes of ideas and concepts that meets up the industry requirements. As you might imagine, identifying and covering the talent buds is done in multiple platforms, and our faculty team is concentrating on each and every zone of the platforms. We also honor in meeting up of excellent international reach in bringing in Resource persons from foreign nations.

Our Editorial team is the smartest, hardest working team in Collecting, Organizing, Sorting and publishing the activity content from time to time. Hearty Congratulations for bringing out the wonderful Issues for the Academic year 2021-2022.

We very much look forward in strengthening our publications spirit of continuous improvement, any constructive input on streamlining our processes from the readers that makes productive, challenging and successful Issue in the upcoming Years.

HINDUSTHAN COLLEGE OF ARTS & SCIENCE – CORPORATE RELATIONS

A total of **70+ companies** have shown interest and have recruited from Hindusthan College of Arts & Science during the period of **4 months** spanning February till May. Apart from the regular ones, new recruiters have also expressed interest. A few companies have also conducted Skill Development Training programs for our students as part of their CSR activities.

The recruiting companies have offered a variety of roles including but not restricted to Software Development, Customer Support, Sales & Marketing, Research & Development, Management, Accounting and Internships.

Magic Bus:

A Skill Development Training Program was conducted by Magic Bus in collaboration with HICAS Corporate Relations to enable students in the fields of Banking & Insurance. The program was a huge success with more than 960 students attending it.

Magic Bus Childhood to livelihood programme enables children to complete secondary education, delay their age of marriage and get jobs in the organised sector.

Rubicon:

Rubicon conducted a Short Term Industry Ready Training Program for Graduates (in collaboration with DXC Technology, Nasscom Foundation and HICAS Corporate Relations) to train students on in-demand domains such as ITO & Insurance Operations. The program received a warm welcome with more than 850 students being in attendance.

Rubicon Foundation, Inc. is a non-profit organization devoted to contributing to the interdependent dynamic between research, exploration, science and education.
