

**PG AND RESEARCH DEPARTMENT OF MATHEMATICS
OUTREACH ACTIVITIES (2019-2020)**

Name of the Programme :

Extension activity about Women health and hygiene awareness

Objective:

Develop themselves a sense of social and civic responsibility. Utilize their knowledge in finding practical solutions to individual and community problems.

Venue:

Magalir Suya Uthavi Kulu, Malar Anitha Surabi, Ammankulam.

Date : 26.07.2019

Details of the programme:

Ms W. Alphonsa Fathima is the in charge of the foundation. This organisation helps women for their self development and stabilize them economically and mentally to face the social challenges. It also helps self help groups by assisting them in availing loan from banks and also educating young children.

Feedback:

1. Many ladies attended the programme and found that it was very useful for them in day – to – day life.

Two of Our Students Tariga.S And Reshma Angeline.S Explaining About Women Hygiene, Saftey, Food and Dietics Etc.
